

Comparisons

Make comparisons by using the sign space to show two or more different objects, events, people, etc. Try these:-

I like to cook at home because it is cheaper than eating out.

I like tomato soup but not tomatoes.

I enjoy fish but am not keen on prawns.

I prefer to eat fruit than chocolate because it's healthier.

I don't like the local shopping centre because it is too big and too expensive. I prefer the local market because it's small, easy to find things and cheaper.

Morocco was too hot for me; I prefer somewhere a bit cooler.

I prefer to drive to Leicester because it takes longer to travel by train. I have to change trains 3 times from Durham.

I used to take the train to London but now it is quicker and cheaper to fly.

Once, I travelled by train from Cardiff to York. There were lots of problems with the railways and I didn't get home till the next day! I was so tired and fed up.
