

Time and timelines

Sometimes timelines require expressions to show how far on the time aspect occurs

Now	Before	Before
Today	Earlier	Past
Immediately	Previous	In the past
Right now!		Long time ago
		Centuries ago
Recently	From then to now	On-going
Very recently	From now to the future	
Just (now)		Continuous
Previous	Until	
Future	Soon	Week, weekly, every week
Far into the future	Quite soon	Once a week, twice a week
Near future	Very soon	From Monday to Friday
		Beginning
Regularly	Monthly	End
Frequently	Once a month	
Often	Twice a month	
Occasionally	Every month	
	Every six months	
Every day	Weekend	Every year / yearly
Yesterday		
Tomorrow (next day)	All day	
	All night	
Throughout	Endless / Forever	Never
	Ever	been / did that
Early	Term / termly	Growing up
Late	Sessions	From the age of ... to ...

There are so many timelines that you probably use these without realising!
